Servicing is required every 3,000 miles or once a year. The option to buy all service at a single fixed price is available at the time of buying the new car and up to 1 month after purchase. This includes labour and parts; annual mileage limit of 10,000 miles applies; excludes tyres. It is the customer's responsibility to deliver and collect the vehicle to and from the workshops at Tufnell Park, London.

Alternatively customers may choose to pay-as-you-go for services as they are required,

Warranty

2 years on all parts including batteries (subject to conditions)
